Team Day 2027: the plan

For everyone at Lanternfield Studio, Vancouver · Friday 11 June 2027 · Organised by the People team

Once a year we close the office for a day to get outside, meet people from other teams and celebrate what we shipped. This year it's on **Friday 11 June**, starting at the office and ending with dinner by the water at Stanley Park. All 84 of us are invited, and the day is paid as a normal working day.

Where we'll be

Place	What happens there
Our office in Gastown	Breakfast and the morning sessions
Second Beach, Stanley Park	Lunch, team games and the afternoon by the water
Ferguson Point, Stanley Park	Dinner, the year's awards and the band

The walk from the office to Second Beach takes about 45 minutes along the Seawall. If you'd rather not walk, a bus leaves the office at 12:00.

The day

Time	What's on
9:00	Breakfast at the office
9:45	“What we shipped”: three short talks, one from each product team
11:15	Walk along the Seawall to Second Beach (or the bus at 12:00)
12:30	Picnic lunch at Second Beach
14:00	Team games: mixed teams, picked by lottery
17:30	Dinner at Ferguson Point, awards and live music
21:00	The day ends. Buses back to the office and to Waterfront Station.

What to bring

- Comfortable shoes for the walk and the games
- Sunscreen, a hat and a refillable water bottle (there are taps at the beach)
- A warm layer for the evening: it gets cool by the water after sunset

How to sign up

1. Open the Team Day form on the intranet by **Friday 21 May**.
2. Choose: walk or bus, and which games you'd like to try.
3. Tell us about food allergies or diets for lunch and dinner.
4. If you're bringing a partner to the dinner, add their name. Partners are welcome from 17:30.

> **Can't come?** That's fine. Tell your manager by 21 May. The office is closed that day, so take it as a paid day off.

Questions

Ask anyone on the People team, or post in the #team-day channel.
